Whistle Down The Wind'

We must be one of the few societies, not only within the area, but also with the whole amateur theatre movement in so far as we can always cast our shows from our own membership....this is very rare indeed.... and we have done it again

Company

Jane Bickerstaffe, Carole Brooks, Steve Cunliffe, Gill Davies, Michelle Foster, Val Greenhalgh, Alan Hitchen, Barbara Martin, Dave McGreavy, Julia Ogden, Gill Pollitt, Zoe Pollitt, David Roberts, Joan Roberts, Joyce Walters, Janet Witt,

This will be the first time that this show has been performed in the Bolton area...what a coup for Walmsley.

AKT

Once again our AKT have shown how wonderful they are. They put on a super production on 26th, 27th and 28th June to appreciative audiences. As ever, with something never before performed in the North West, their musical show 'What's New Pussycat' was a credit to them, Helen, Trish, Ruth and the whole support team mainly from the adult section of the society. Well done AKT.
